

RISK MANAGEMENT

Listen to *Risk management basics: What exactly is it?* and answer the following questions.

1. What are the six basic questions that David Hillson asks?

.....
.....
.....
.....
.....
.....

2. According to Mr. Hillson, what are the steps of a risk process? What is involved in each step?

.....
.....
.....
.....
.....
.....

3. Why is question number four so important?

.....
.....
.....

4. What are some responses to bad risks? What are some responses to good risks?

.....
.....

5. What happens if we build our risk process around those six questions?

.....
.....
.....

6. How should we apply those questions to a bigger project?

.....
.....
