"Creating prints is fun. It takes something as simple as a drawing and makes it complex, because you shouldn't make a mistake."

George Bodmer

A grayscale background image of a forest path. On the left side, there is a large, textured tree trunk. On the right side, there is a large, rounded rock. The path itself is a mix of light and dark patches, suggesting grass, dirt, and shadows. The overall tone is muted and naturalistic.

Thank you for attention!
