

A COURSE SYLLABUS – DOCTORAL SCHOOL
REGARDING THE QUALIFICATION CYCLE FROM 2021 TO 2025

GENERAL INFORMATION ABOUT COURSE				
Course title	Modern language: English			
Name of the unit running the course	Doctoral School, University of Rzeszów			
Type of course (<i>obligatory, optional</i>)	obligatory			
Year and semester of studies	year 1, semesters 1 and 2			
Discipline	multidiscipline			
Language of Course	Polish, English			
Name of Course coordinator	dr Grzegorz Kwiatkowski			
Name of Course lecturer	dr Grzegorz Kwiatkowski dr Joseph Ohimor			
Prerequisites	Foreign language knowledge at B1+ level of the Common European Framework of Reference for Languages			
BRIEF DESCRIPTION OF COURSE (100-200 words)				
<p>The course covers topics in the general humanities and the sciences, extended to more specific issues relative to students' academic disciplines. Students' language knowledge and skills are developed in the four language areas: reading, writing, listening and speaking. General vocabulary is expanded while introducing academic vocabulary. The student is prepared to present issues concerning his/her own scientific field and to exploit subject-related literature in English. The course aims to develop language competence that enables effective communication in academic environments as well as fluent and correct use of English for professional / scientific purposes. It also aims to equip students with language skills to enable them understand academic genres in scientific literature, prepare and present academic quality articles as well as participate at scientific conferences and debates. The course also includes taking language tests at B2 level according to the Common European Framework of Reference for Languages.</p>				
COURSE LEARNING OUTCOMES AND METHODS OF EVALUATING LEARNING OUTCOMES				
Learning outcome	The description of the learning outcome defined for the course	Relation to the degree programme outcomes (symbol)	Learning Format (Lectures, classes,...)	Method of assessment of learning outcomes (e.g. test, oral exam, written exam, project,...)
Knowledge (no.)				
1.	Students know and understand the fundamental dilemmas of contemporary civilisation	P8S-WK/1	classes	Project/ presentation
Skills (no.)				
1.	Students are able to communicate on specialist subjects to the extent necessary to take an active part in the international scientific community.	P8S-UK/1	classes	continuous assessment
2.	Students will be able to use a foreign language at B2 level of the Common European Framework of Reference for Languages to the extent	P8S-UK/5	classes	test, continuous assessment

	necessary to participate in the international scientific and professional environment.					
Social competence (no.)						
-	-	-	-	-	-	-
LEARNING FORMAT – NUMBER OF HOURS						
Semester (no.)	Lectures	Seminars	Lab classes	Internships	others	ECTS
1		15				
2		15				
METHODS OF INSTRUCTION						
Communicative methods in the form of: individual work, pair work, group work, discussion. debate, task resolving, presentations, text analysis via discussions, using paraphrasing techniques/ summarising, as well as case studies and multimedia presentations.
