# SOFT COMPUTING AND DISTRIBUTED PROCESSING

Sixth International Conference, SCDP 2002, Rzeszów, Poland, June 24-25, 2002
Proceedings

Zbigniew Suraj (Ed.)

University of Information Technology and Management, Rzeszów, Poland, 2002

This book contains extended abstracts selected for presentation at the Soft Computing and Distributed Processing Conference, which was held in Rzeszów, Poland, in June 2002.

The main theme of the conference was centered around the key ideas and methods of soft computing and distributed processing.

The SCDP 2002 conference was greatly honored to have Zdzisław Pawlak (Poland) as the honorary chair and keynote speaker, Yurii Kułakov (Ukraine) and Andrzej Skowron (Poland) as invited plenary speakers.
