Invite to

INTERNATIONAL SCIENTIFIC CONFERENCE

**Entrepreneurship in the COVID-19 crisis – lesson for future**

19th of March, 2021, 9:00 -15:00 (on-line)

The aim of the conference is to discuss and exchange opinions concerning entrepreneurship development perceived as motivating to initiatives as well as making conditions to start and conduct economic activity during COVID-19 crisis. The discussions will be entered on by theoreticians and practitioners of the topics, among others from: Ukraine, Czech Republic, Romania and Slovakia. We believe that the International Scientific Conference titled: “Entrepreneurship in the COVID-19 crisis – lesson for future” becomes exchange forum of knowledge, scientific opinions and practical experiences.

During the one-day conference it is intended to conduct **FOUR THEMATIC DISCUSSION PANELS** (projects/papers) and **POSTER SESSION** (short scientific statements).

SUBJECT AREA

1. **Business and labour market.** Entrepreneurship as economic development’s conditioning. Financing and development of enterprises during COVID-19. Meaning of entrepreneurship for labour market.
2. **Regional and local development.** Entrepreneurship in public organizations. Contemporary problems with management of regional and local development.
3. **Education.** Higher education challenges during COVID-19. Entrepreneurship in educational system. Creative learning without limitations.
4. **COVID-19 pandemic: crisis or new opportunities for development.** Experience and prospects for business development, education and the labour market outcomes in the pandemic. Protecting Human Rights in the CPVID-19 Pandemic.
