**DEAR COLLEAGUES!**

Council of Young Scientists of the Institute of Ecology of the Carpathians NAS of Ukraine invites you to participate in V (XVI) International conference of young scientists „**SCIENTIFIC PRINCIPLES OF BIODIVERSITY CONSERVATION**”.

During the conference it is planning to discuss the results of original research and theoretical generalizations of such areas:

1. Problems of biodiversity conservation;
2. Management of biodiversity on the protected areas;
3. Biomonitoring of the natural environment.

The conference foresees **off-line, on-line participation** (via Zoom) or **materials publishing** only.

The conference will be held on **18-19 October 2023**. The students, PhD students and young scientists up to **35 years** old are welcome to take part in the conference.

To participate in the conference you **should** sent the following materials **by September 20**:

1. *Application form* to the committee e-mail: [iek.nanu@ukr.net](mailto:iek.nanu@ukr.net) (application form is attached).
2. The electronic version of the *conference materials* (file name – by the name of the first author, format – rtf) at the address given above. Information on receiving application and conference materials will be confirmed by the letter on your e-mail address within 2-3 working days from the time you have sent the materials. If you did not receive the confirmation, please, send materials once more. The author accepts responsibility for the contents of abstracts.

*The second circular, the conference program and a link to the Zoom conference will be sent to all registered participants by **October 17**.*

**Registration fee – participation in the conference is free** (an electronic version of the conference materials will be sent to all the participants)
