4.2 Course assessment criteria

The end-of-semester grade is based on the arithmetic average of the partial grades that students receive for completing individual projects (the scope of which will be presented at the beginning of each semester). Each semester includes a test (open and closed questions), from which students must obtain at least 60% of the points.

Grading scale:

60-68% - 3.0

69-76% - 3.5

77-84% - 4.0

85-92% - 4.5

93-100% - 5.0

To be eligible to take the final exam, students must achieve a passing grade at the end of each semester. The exam is written (open and closed questions) and verifies the student's knowledge acquired in the course. Similar to the semester grades, to pass the course, students must obtain at least 60% of the possible points on the exam.

Grading scale:

60-68% - 3.0

69-76% - 3.5

77-84% - 4.0

85-92% - 4.5

93-100% - 5.0

5. Total student workload needed to achieve the intended learning outcomes – number of hours and ECTS credits
